Dr. Kathryn Kell Elected President of the Federation Dentaire International

Dr. Kathryn Kell (DDS ’79) has been elected president of the Federation Dentaire International (FDI), an organization of nearly 200 worldwide dental associations and specialist groups, representing more than 1 million dentists internationally.

She previously served as treasurer for the FDI and has been a member of the FDI Executive Committee. Dr. Kell is a past FDI Council member as the liaison for North America, and as a former chair of the FDI’s Education Committee, she was responsible for running the FDI annual international congress. She has also served on the FDI Science Committee and the FDI Strategic Planning sessions.

In 2012, Dr. Kell received the Alumna of the Year Award from the UI Dental Alumni Association and the College of Dentistry.

She has a private practice in Davenport, Iowa.

Dr. Judy Greenlea-Taylor is President-Elect of the National Dental Association

Dr. Judy Greenlea-Taylor (DDS ’91) is president-elect of the National Dental Association (NDA).

As an Iowa dental student, Judy Greenlea-Taylor received the Dean’s Leadership Award in 1988, 1989, and 1990. From 1989-1990, she was president of the Student National Dental Association (SNDA). In 1989, Judy attended the SNDA national meeting as a student representative and was elected national recording secretary and regional coordinator for Region 2. In 1990, she also attended the SNDA national meeting. That same year, Judy also presented “Hemostatic Agents Used in Surgical Procedures” at the College of Dentistry’s Local AADR Research Day.

Dr. Greenlea-Taylor is past president of the North Georgia Dental Society (Atlanta chapter of the NDA). She was appointed by Georgia Governor Deal to the Georgia Board of Public Health and serves as the only dentist on the board. She also has worked with local and national leaders to promote awareness of disparities in healthcare.

Dr. Greenlea-Taylor has practiced dentistry in the public and private sectors for 22 years; she currently maintains a private practice in Union City, GA.
Faculty, Grad Students, Dental Students:
Are You Submitting a Research Abstract to AADR?

Faculty, residents/graduate students, dental students:
If you plan to submit a research abstract to AADR and have data that will need statistical analysis, please consult the Biostatistics Unit with clean, complete data as soon as possible.

The College of Dentistry Welcomes Mary Siems

The College of Dentistry and the Department of Family Dentistry welcome Mary Siems. Mary was born and raised in Iowa City. She has two children, Jimmy (43) and Shannon (41), six grandchildren and one great-granddaughter. Although Mary retired from the college five years ago, she came back to work on a part-time basis in the Senior Lab.

Mary enjoys reading, knitting, crocheting, and spending time doing yard work. She also likes attending antique sales. And, she says, “I will be taking my 25th cruise (Jamaica, Barbados and Cozumel) this February and am looking forward to it.”

Noon-1 pm
Oral B Classroom
(N212)

Pizza and pop will be provided.
Snapshots from the 2015 Alumni Weekend

Approximately 400 alumni and spouses attended the Pregame Social with 200 alumni and spouses attending the banquet. About 55 attendees enjoyed a tour of the College of Dentistry.

(Above and left, above and below): Alumni from the Class of 1965 tour the Simulation Clinic.

(Above): Members of the Class of 1995 with Professor Emeritus Jim Clancy, the 2015 Educator of the Year awardee.

From Dean Johnsen who gave the Class of 1965 a tour of the college:

“With Dr. So Ran Kwon’s permission, I interrupted the D1 students in the Simulation Clinic to say, ‘We have the class of 1965 — the 50 year anniversary class; this is your heritage. It is a great heritage.’

“To the 50 year class, I said, ‘These are our D1 students. This is our future — it is a great future.’

“The chemistry was quite magical from then on and I had to pry the alums and the D1 students apart to continue the tour!”

Wear your College of Dentistry photo ID badge!
College of Dentistry photo ID badges have been issued to all faculty, staff and students. These badges are a condition of our employment at the College of Dentistry and must be worn at all times while in the Dental Science Building. Our badge identifies us to patients, visitors, and to each other. We have a responsibility to reach out to patients and visitors and be recognized by them as someone they can turn to with a question, in case there is inclement weather, or during an emergency. Dr. Kanellis asks that you wear your badge CLIPPED to your clothing and worn high – rather than the lanyard -- to allow patients and visitors to more easily recognize that you work at the College of Dentistry.

If you are a graduate student, faculty or staff member, and forget or lose your ID badge or need a clip, please contact Dental Human Resources (N300 DSB). If you are a dental student, please see the Dental Registrar, Lori Kayser (N312 DSB), to obtain a temporary badge.

(Left): Karen Cabrera’s (Business Office) ID badge identifies her as a College of Dentistry staff member. It also includes a tag at the bottom that states “YO HABLO ESPANOL,” to help patients and visitors identify her as a Spanish translator, if they need assistance.
The Hispanic Student Dental Association (HSDA) sponsored a dunk tank on September 17 to raise money for their activities and outreach programs. (They raised $250 in profits.) Dunk tank volunteers included (left to right) Dr. Maged Abdelaal, prosthodontics resident; Scott Arneson, Dental Administration; Dr. Marcos Vargas, Family Dentistry; Dr. Natalia Restrepo-Kennedy, Operative Dentistry; Nancy Slach and Dr. Steven Clark, Periodontics; and Dr. Luis Boza, Prosthodontics.

(1) Scott Arneson in the tank, waiting for someone to lob a ball.

(2) Cathy Solow, Dental Administration, throws a ball that hits its mark.

(3) Scott Arneson emerges from the tank a bit dampened.

(Left): A Volunteer’s Dunking in Slow Motion...

Drs. Boza and Abdelaal (above) and Drs. Vargas and Clark (below) engage in some shark humor.
