Schedule of AADR Iowa Presenters: Corrections

(1) On page 4 of the AADR Iowa presenters’ schedule, under Thursday’s poster session (11 a.m.-12:15 p.m.), Seq.# 87 Craniofacial Growth, the abstract number for “Correlation of Dental Arch and Anthropometric Measurements in Pre-school Children” is incorrect. It should be **0910, not 0865**.

(2) The following abstract was inadvertently omitted from the Iowa Presenters Schedule. Please make a note:

Seq#: 115 “Self-etching” Adhesive Systems
1138 Composite Repair Shear Bond Strength with Self Etching Primer/Adhesive Systems. C. Row, R. Ajlouni and D. Cobb.

(3) Also, please note that the **poster date/time** of the AADR/IADR Hatton competitors is listed on the **last** page of the schedule of Iowa presenters.

Panel Discussion:
**Soft Drinks in Iowa Public Schools: Emerging Epidemics and Possible Solutions**
To Be Held Friday, March 8, noon-1:30 p.m.

A panel discussion “Soft Drinks in Iowa Public Schools: Emerging Epidemics and Possible Solutions” will be held at the UI College of Dentistry, Galagan Auditorium, on Friday, March 8 from noon to 1:30 p.m. Panel members will include Joe Bolkcom, state senator, (Iowa City-D); William Jacobson, Ph.D., Superintendent of Schools, Marion Independent School District; Dr. Michael Kanellis, head, UI Dept. of Pediatric Dentistry; Linda Snetselaar, Ph.D., Dept. of Epidemiology (in nutrition), University of Iowa; and Eva Tsalikian, M.D., director, Pediatric Endocrinology and Diabetes, University of Iowa. The moderator will be Jonathan Shenkin.

**Work-Related Injuries and Illnesses**
Staff are reminded of the following policy that went into effect in August 1995 regarding work-related injuries and illnesses. All faculty and staff members must be initially treated in the Workers Health Clinic, Clinic A, at The University of Iowa Hospitals and Clinics, for any work-related injury or illness. The Workers Health Clinic is open Monday through Friday from 8 a.m. to 4:30 p.m. If possible, please phone the Clinic (3-8653) prior to arriving for treatment for work-related injuries or illnesses needing emergency care. When the Workers Health Clinic is closed, the UIHC Emergency Treatment Center should be used. You must inform the Emergency Center staff that you are requesting treatment due to a workplace injury. Emergencies are considered to be the sudden, serious and unexpected onset of symptoms that require immediate medical care.

**Please carefully note the following important fact:** any initial treatment for a work-related injury or illness received outside of the Workers’ Health Clinic or University Hospital Emergency Center will not be covered by either Worker’s Compensation or your University health insurance plan.

If you have questions, please contact Dental Human Resources at 5-9650. Vicki Green.

**MMWR Includes Report on Availability of Fluoridated Public Drinking Water in the U.S.**

**Omicron Kappa Upsilon Elects New Members**
The Omicron Kappa Upsilon local chapter elected new members on February 19, 2002. They will be recognized at the annual OKU banquet on June 6, 2002. The new members are:

**Students:** Matt Abraham (D4); Craig Alpha (D4); Adam Lee (D4); Dominic Morio (D4); Alison Ray (D4); Andrew Schmidt (D4); Eric Shelton (D4); and Matt Tonioli (D4).

**Faculty:** Dr. John Warren, Preventive & Community, and Dr. Ron Elvers, OPRM.

**Adjunct Faculty:** Dr. Brian Mykleby, Endodontics, and Dr. Mark Marz, Family Dentistry.

**Honorary:** Ms. Nancy Slach, Periodontics.

**Kramer Award:** Brandon Brown (D3).

**Research Participants Invited**
We are recruiting male participants age 20-64 years for a water and food consumption study. Participants will complete a 24-hour dietary recall and a 2-day dietary record in the winter and then again in the summer. Compensation provided. For more information, contact Dr. Keith Heller at 335-7188 or keith-heller@uiowa.edu.

**AADR Attendees**
You are cordially invited to attend
The Iowa Reception at the Hyatt Regency, President’s Boardroom,
Thursday, March 7, 6:00-7:30 p.m.
