2004 AADR Meeting Abstracts
Replacement Deadline: October 1
The abstracts replacement deadline for the 2004 AADR meeting is October 1st. There is a $50 fee for each replacement abstract processed after the September 26, 2003, submission deadline. You will be required to pay the $50 fee before gaining access to your abstract. Please follow the online instructions to revise your abstract as needed. Please note that you will be required to pay the $50 fee every time you access your abstract after the deadline date; you are advised to make all necessary changes at one visit. No changes will be permitted after October 1, 2003.

Marsha Cunningham Receives The 2003 James McLeran Faculty Award
Marsha Cunningham, associate professor, Preventive & Community Dentistry, received the 2003 James H. McLeran Faculty Award at the Dean’s Club Dinner on September 5. She received a monetary gift “to be used for professional growth and faculty development.” Ms. Cunningham was recognized as a faculty member who has shown a commitment to dental education through excellence in teaching and an emphasis on patient-centered care.

The James H. McLeran Faculty Award was established through memorials and a campaign to honor Dr. McLeran’s commitment to patients, students and faculty.

Hardin Library September Workshop: EndNote 6
This two-hour class introduces individuals to a database management software package, which makes it easy to input, store, retrieve, cite references, and to generate bibliographies. EndNote also allows users to search online bibliographic databases and import citations. It is compatible with Word and Word Perfect, and references from the Ovid databases can be imported directly into EndNote. Contact Denise Britigan (denise-britigan@uiowa.edu), to register.

Date: Tuesday, October 28, 2003
Time: 3:00-5:00 p.m.
Location: Information Commons East

New Crown Model Research Study
The Dental Clinical Research Center is recruiting subjects for a NEW “Crown Model” research study. The purpose of this study is to evaluate the effects of different formulas of fluoride toothpaste on dental decay. To participate, volunteers must be 18 years of age and older and in need of a crown (cap) on a lower permanent molar. Please call the Dental Clinical Research Center for information or a screening appointment at (319) 335-9557.

Carla Sieger’s Daughter, Stephanie, Sends News From Iraq

Carla Sieger, OPRM, received the following newsletter from her daughter, Stephanie, which was written by Major Tom Dean, commander of her daughter’s medical battalion, which is currently serving in Iraq.

Another month has flown by again. Alpha Company continues to keep busy with the tasks assigned...We are currently co-located with members of a Medevac unit, Preventive Medicine unit and the Alpha soldiers who are supporting our mission at the 21st Combat Support Hospital. We have set up a mobile kitchen unit and we have begun to have a Sunday brunch. SSG Connelly received ingredients to make pancakes and we were able to scrounge up some sausage, bacon, and eggs along with some rolls. We have enough supplies to last for several weeks so we will continue to do a Sunday brunch as long as we are able to acquire the necessary ingredients. Our hats go off to the Coralville Fired Department for donating the pancake batter.

Well, that’s all for this month. I wish I had a concrete time for our return to Iowa City. All I can say is thank you to everyone for your support. It has been a long haul and without you back there supporting us we wouldn’t have made it this far. We think of you every minute of the day and wish we could all be together again. We were talking the other day and even though I don’t know some of you personally, I felt as though you all are part of my extended family. It helps pass the time to talk to others and realize how important each and everyone of you are to us. With that the soldiers of Alpha Company would like to say thank you to each and every one of you.
