Dr. Cheryl Straub-Morarend Elected to Serve as Officer of the Comprehensive Care/General Dentistry Section of ADEA

Dr. Cheryl Straub-Morarend, Department of Family Dentistry, has been elected as an officer of the Comprehensive Care/General Dentistry Section of the American Dental Education Association (ADEA). Cheryl will serve one year as newsletter editor, one year as secretary, one year as chair elect, and as chair of ADEA’s Comprehensive Care/General Dentistry Section for 2014-2015.

Dr. John Scieszinski Elected to Serve as Officer of ADEA’s Section on Practice Management

Dr. John Scieszinski, Department of Family Dentistry, has been elected as an officer of the Section on Practice Management of the American Dental Education Association (ADEA). Dr. Scieszinski will serve one year as newsletter editor, one year as secretary/treasurer, one year as chair elect, and as chair of ADEA’s Section on Practice Management for 2013-2014.

Current officers and members of the ADEA Section on Practice Management were impressed by Dr. Scieszinski’s knowledge and insights on practice management, his private practice experience, and his enthusiasm. Dr. David Holmes said, “We recognize that this selection is a testament to the strong national reputation that Dr. Larry J. Squire has established for the Practice Management curriculum at the University of Iowa College of Dentistry.”

2011 ADEA and AADR Meetings

A large group of UI College of Dentistry students, faculty, and staff attended the recent 2011 ADEA and AADR meetings in San Diego, California.

See pages 2, 4-5 for additional photos.

College of Dentistry Exhibits Outreach Services During UI Health Sciences Day at the State Capitol

Dean David Johnsen and Ann Synan, Dental Clinic Administration, traveled to Des Moines on March 3, 2011, to celebrate the UI Health Sciences Day at the State Capitol and to meet with state legislators. Discussion included the multiple contributions of the College of Dentistry’s state outreach services, and also the current building transformation project.

The College’s booth highlighted the extent of the College’s outreach programs, including alumni practicing in various Iowa counties, and patient visits, as well as information about the current building transformation. Toothbrushes and magnets were distributed and information about patient services and contact phone numbers were offered.

(Left, from left to right): Dean David Johnsen, Ann Synan, and Iowa House Appropriations Committee Chair Scott Raecker at the College of Dentistry’s booth.

(Left): College of Dentistry booth at the State Capitol during UI Health Sciences Day.

(Above, left to right): Senator Robert Hogg; Senate Appropriations Committee Chair Bob Dvorsky; House Speaker Kraig Paulsen; and Dean David Johnsen.

**Participate in the Doc Dash**

**5K Run/Walk on April 2, 2011**

The Doc Dash is a 5k run/walk in and around the UI health sciences campus and other areas of the UI campus. It will be held April 2, 2011, starting at 9:00 am. The event will benefit the Iowa City Free Medical Clinic and the College of Medicine Mobile Clinic. The run/walk is open to all members of the community and their families.

The start and finish will be at MERF, 375 Newton Road. Parking is available across the street. Registration is $25 March 19 up to race day, and $30 on race day and it also includes the participant’s race number and t-shirt. (You may subtract $5 from the registration fee if you do not wish to have a t-shirt.) Shirts can only be guaranteed if registration is completed by March 19. Children 14 and under are free.

Medals will be awarded to winners and trophies will be awarded for the best Carver College of Medicine (CCOM) community participation and University of Iowa Hospitals and Clinics (UIHC) department participation (physicians and support staff alike).

Registration can be completed by visiting [http://www.active.com](http://www.active.com) (search for Doc Dash) or via paper registrations now available in all student mailboxes or in the Flocks community office (1150A MERF).

Attention Dental Students, Graduate Students, Post-Docs and Fellows:
12th Annual Student Interdisciplinary Health Research Poster Session

The University of Iowa Interdisciplinary Health Group will hold the 12th Annual Student Interdisciplinary Health Research Poster Session on Tuesday, April 26 from 11 am to 1 pm in the First Floor Atrium, Eckstein Medical Research Building (EMRB).

This event provides UI students working on health-related research an opportunity to highlight their work and interact with researchers from other disciplines. Ten awards of $100 each will be presented at the event. Presenters may set up their posters between 9:30-10:45 am and should be available to answer questions concerning their research from 11 am to 1 pm.

Ten awards of $100 each will be presented. Judging will occur between 11 am and 12 pm. Award winners will be announced at 12:15 pm.

**Note:** Abstracts and posters may be presented, even if they have already been used, or will be used, for other presentations.

The practical relevance of the research and the ability of non-experts to understand the research should be emphasized in the oral presentation to the judges (and included in the poster, if possible).

Please follow these guidelines when submitting abstracts:

**Word count:** 300 words or less

**Format:**

Title of research;

Author(s)’ name(s), departmental or college affiliation, student educational level (e.g., undergraduate, MA, PhD, post-doc/fellow, professional);

Description of project, including: Introduction and Purpose; Experimental Design, Results, Conclusions, including relevance to clinical problem or policy application.

Presenter’s e-mail address

Selection of abstracts for poster presentations will be based on quality and potential for, or actual relevance to, clinical and/or policy issues. Please submit your abstract via the Abstract Submission Form (http://www.ppc.uiowa.edu/ihgpostersession) by **Monday, April 18, 2011**. Persons submitting abstracts will be notified by e-mail regarding acceptance by April 21, 2011. For further information, or to ask questions, contact rudy-marcelino@uiowa.edu.
