Jean Sayre Begins Directorship of the Hardin Library

Jean Williams Sayre has been appointed director of the Hardin Library for the Health Sciences. Sayre was associate director of the National Network of Libraries of Medicine, Greater Midwest Region (NN/LM GMR). Her responsibilities included administering outreach program for the National Library of Medicine in a 10-state Midwest region, including Iowa. Her duties also included administering subcontracts with universities within the region and also coordinating training sessions for health professionals and consumers.

“Jean Sayre holds a master’s degree in library science from the University of Minnesota and a bachelor’s degree in biology from the University of Minnesota, Duluth. “We are delighted to welcome Jean,” said Nancy L. Baker, university librarian. “She has a strong background in health information management and 25 years of experience working with health professionals and academic libraries. Jean will have a major impact on the future development of the Hardin Library and, more broadly, within the health information field.”
