The 97th Annual Meeting of The University of Iowa Dental Alumni Association

October 31–November 1, 2014
ALUMNI DAY PROGRAM AND
REUNION EVENTS
Note: Location is the College of Dentistry

DATES: October 31–November 1, 2014
TIME: 8:00 a.m. Registration;
8:45 a.m. Introductions/Program
FEE: $110 (includes all course materials, refreshments
and parking)
PARKING: All registrants must be pre-registered to gain entrance
to the Dental visitor’s parking lot. Bring your course
confirmation letter with you to ensure admittance to
the lot. Otherwise, you may be directed to a remote lot.
CE CREDIT: The University of Iowa College of Dentistry
designates this activity for 3.5 hours continuing
education credit (0.35 CEU)

PLEASE REGISTER BEFORE OCTOBER 17, 2014

SCHEDULE OF EVENTS
Friday, October 31, 2014
8:00 a.m. Registration – Third Floor Link
Continental Breakfast, Galagan Lobby, 1st Floor
8:45 Welcome and Opening Remarks
Dr. Gordon Peterson, UIDAA President
Dr. David Johnsen, Dean, College of Dentistry
Ms. Penni Ryan, Director, Continuing Education
Continuing Education Program – “Alumni Weekend” – Presented by the Classes of 1979 and 2009
9:15 a.m. “Removable Partial Dentures – Clinical Concepts” – Dr. David Bohnenkamp – Class of 1979
11:20 “Pediatric Dentistry – Outside the Box” – Dr. Michael Kanellis – Class of 1979
12:30 p.m. Adjourn To Class Reunion Activities

Friday Evening
6:00 p.m. Social Hour (no host) – Holiday Inn and Conference Center, Coralville, IA
7:15 Alumni Dinner – Kinnick Ballroom
Awards Presentations; Introduction of Reunion Classes

Saturday, November 1, 2014
8:00-10:00 a.m. Pregame Professional Program*
“Immediate Implant Replacement: Surgical and Restorative Aspects of This Treatment Option” – Drs. Chris Barwacz and
Gustavo Avila-Ortiz
SATURDAY PARKING: Complimentary parking will be available on Saturday for individuals who are pre-registered for the
Pregame Professional Program (you must be registered by October 17 for the Pregame Program to receive a parking pass).
Guaranteed parking will ONLY be available until 7:45 a.m.

CLASS REUNION YEARS
DENTAL AND DENTAL HYGIENE
1944 70th year 1979 35th year
1949 65th year 1984 30th year
1954 60th year 1989 25th year
1959 55th year 1994 20th year
1964 50th year 1999 15th year
1969 45th year 2004 10th year
1974 40th year 2009 5th year

So that you will be seated with your class,
it is very important that you indicate your
class year on the registration form.

2014 ALUMNUS
OF THE YEAR
Thomas Schierbrock,
D.D.S.
(Class of 1974)
Detailed information about
Dr. Schierbrock’s career
and contributions to dentistry
will be available at the
Dental Alumni Banquet.

2014 EDUCATOR
OF THE YEAR
Peter Damiano, D.D.S.,
M.P.H. (Class of 1986)
Detailed information about
Dr. Damiano’s career and contributions
to dentistry will be available at the
Dental Alumni Banquet.

2014 SERVICE
RECOGNITION OF
THE YEAR
Edwyn Schooley, D.D.S.
(Class of 1974)
Detailed information about
Dr. Schooley’s career and contributions to dentistry
will be available at the
Dental Alumni Banquet.

2014 HONORARY
RECOGNITION OF
THE YEAR
The Honorable
J. Scott Raecker
Detailed information about
Honorable Raecker’s career
and contributions to dentistry
will be available at the
Dental Alumni Banquet.
CONTINUING EDUCATION PROGRAM
“Alumni Weekend”
Presented by the Classes of 1979 and 2009!

REMOVABLE PARTIAL DENTURES – CLINICAL CONCEPTS
This presentation provides a review of the traditional clinical concepts for the design and fabrication of RPDs. Although classic theories and rules of engagement for RPD designs will be presented and should be followed, excellent clinical care for partially edentulous patients may also be achieved with CAD/CAM technology and unique blended designs. These nontraditional RPD designs and fabrication methods provide for improved fit, function, and esthetics by using CAD software, composite resin for contours and morphology of abutment teeth, metal support structures for long edentulous spans and collapsed occlusal vertical dimensions, and flexible nylon thermoplastic material for metal-supported clasp assemblies.

David Bohnenkamp, D.D.S., M.S., F.A.C.P., is an Associate Professor in the Department of Prosthodontics, College of Dentistry. Dr. Bohnenkamp received his D.D.S. in 1979 from The University of Iowa College of Dentistry and his M.S. in Prosthodontics in 1987 from The University of Texas Health Science Center at San Antonio Graduate Schools of Biomedical Sciences and joined the Department of Prosthodontics at The University of Iowa College of Dentistry in September 2013. Prior to coming to Iowa, Dr. Bohnenkamp was an associate professor in the Department of Comprehensive Dentistry and served as the Director of the International Dentist Education Program from 2006-2013 at the University of Texas Health Science Center Dental School in San Antonio.

TRIGEMINAL NERVE INJURIES – ETIOLOGY, DIAGNOSIS, AND MANAGEMENT
This program will review current concepts in the causes, evaluation, and treatment of trigeminal nerve injuries encountered in the practice of dentistry. It will review important concepts for preventing and evaluating injuries to the trigeminal nerve that can be performed by the general practitioner. A timeline for specialist referral, as well as possible surgical and non-surgical treatments of trigeminal nerve injuries will be discussed.

Kyle Stein, D.D.S., is an Assistant Professor in the Department of Oral and Maxillofacial Surgery, College of Dentistry and University of Iowa Hospitals and Clinics. Dr. Stein received his DDS degree in 2009 and his Oral and Maxillofacial Surgery Certificate in 2013 from The University of Iowa College of Dentistry. Dr. Stein joined the faculty at the College of Dentistry in 2013. He practices full scope oral and maxillofacial surgery including dentoalveolar surgery, dental implant surgery, hard and soft tissue grafting, orthognathic surgery, pathology, reconstruction, facial trauma, and microsurgical nerve repair.

PEDIATRIC DENTISTRY – OUTSIDE THE BOX
The majority of carious lesions in Pediatric Dental patients can be successfully managed with conventional treatment. However, certain challenges remain that can frustrate the patient, provider and parent. This program will present additional approaches to managing caries that fall “outside the box” of conventional pediatric dentistry. Topics to be covered include Atraumatic Restorative Treatment, the “Hall” technique for stainless steel crown placement, and the medical management of caries using Silver Nitrate.

Michael Kanellis, D.D.S., M.S., is a Professor in the Department of Pediatric Dentistry and the Associate Dean Patient Care at the College of Dentistry. Dr. Kanellis received his D.D.S. degree in 1979 and his M.S. degree in Pediatric Dentistry in 1982 and his M.S. degree in Dental Public Health in 1985.

At the completion of the entire program, participants should be able to:
• Understand the rationale and indications for the treatment of partially edentulous patients with removable partial dentures,
• Review the different theories, classic design principles, and modern fabrication techniques for removable partial dentures,
• Evaluate different ways to successfully manage challenging clinical patient scenarios with removable partial dentures,
• Identify situations in which the potential for trigeminal nerve injury is increased,
• Identify keys to diagnosing trigeminal nerve injury and initial management principles,
• Identify the proper timeline for referral to a specialist for treatment,
• Understand the possible treatments available for trigeminal nerve injuries,
• Learn how to adapt atraumatic restorative treatment to caries management in the primary dentition,
• Be familiar with the Hall technique for stainless steel crown placement, and
• Understand the rationale and protocol for managing caries in primary teeth using silver nitrate and fluoride varnish.

You can reach us on the Web at: www.dentistry.uiowa.edu/ce
GENERAL INFORMATION

The College of Dentistry and the Center for Conferences will make every reasonable effort to assure that requested continuing education programs are provided, but assumes no liability for failure to deliver beyond the refunding of any fees paid to The University of Iowa. The University of Iowa reserves the right to limit registration to the size of the available classroom space. Sponsorship of this course does not imply subject matter, product or technical endorsement. This material is offered to the profession for educational and informational purposes in a spirit of academic freedom.

ADVANCE REGISTRATION: Because of the anticipated demand for football tickets and lodging, you are urged to register as early as possible. All registrants are requested to register prior to October 17, 2014.

REGISTRATION OPTIONS: Registrations will not be accepted without payment. You may register using any of the following methods:

- Online registration, Go to: www.continue-to-learn.uiowa.edu/UIConferences/ and then click on Dental Conferences
- Mail your registration form and check or credit card information to the address indicated
- Phone your credit card registration to the Center for Conferences using the toll free number: 1-800-551-9029 (local 335-4141)
- Fax your credit card information to Center for Conferences: 1-319-335-4039

CANCELLATIONS/REFUNDS: Fees paid will be refunded less a $40 per person processing fee following notice of cancellation. For registrations charged to your credit card, the refund will be credited to your account. If insufficient enrollment necessitates canceling a course, all fees will be refunded. Refunds will not be granted for cancellations received after the course begins.

CONTINUING EDUCATION CREDIT/RECORD KEEPING: CEU verification will be provided (by email following the program) only for those individuals completing/submitting a CEU card at the completion of the program. Credit will be appropriately adjusted for those individuals who do not attend the entire program. All attendees are encouraged to submit the CEU card which will generate a letter documenting attendance at the program.

REUNION ACTIVITIES: A special invitation is extended to members of reunion classes. Efforts will be made to help class members sit together during the dinner and football game. Members of these classes should register early and BE SURE TO SPECIFY CLASS YEAR ON APPLICATION. All of our group planning depends on knowing who will attend from each class! If you do not state your year, seating with your class cannot be guaranteed.

DINNER: The Alumni Weekend will feature a no-host social hour and dinner at the Holiday Inn and Conference Center at I-80 and First Avenue (Exit 242), Coralville. Reunion classes and honorees will be seated at specially-marked tables. Presentations will be made to the honored Dental Alumnus of the Year, Distinguished Educator of the Year, Service Recognition of the Year, and Honorary Recognition of the Year. The cost is $60 per person.

FOOTBALL TICKETS: Tickets for Iowa vs. Northwestern on 11/1 ($65 each plus a $1 per ticket handling fee) are available on a very limited basis (limit 2 tickets per registration). Ticket requests will be filled until supply is exhausted. To order tickets, you must register and prepay for the continuing education program. Tickets will not be mailed. Payment for tickets cannot be refunded except when ticket supply is exhausted during the pre-registration period. Tickets cannot be transferred with a registration to another course.

PARKING: Parking is included with the course registration.

HOUSING: A block of rooms has been reserved for Thursday, Friday and Saturday evenings (October 30, 31, and November 1) at the local hotels listed below. Reservations must be made by September 15. It is the responsibility of registrants to reserve their own lodging. When making your reservations, please indicate that you are attending the College of Dentistry’s Dental Alumni Weekend. In order to serve as many alumni as possible, reservations will be limited to one room per person.

- Holiday Inn and Conference Center (Formerly the Clarion Hotel/Ironman) at 319-351-5049 – Code: UI Dentistry Reunion/University
- Hampton Inn (connected to the Holiday Inn) at 319-351-6600 – Code: UI Dentistry Reunion/University
  Note: During football season, all hotels require a mandatory two-night stay.

FOR FURTHER INFORMATION about continuing education programs, please contact: Ms. Penni Ryan, Director, Continuing Dental Education, The University of Iowa, 346 Dental Science N, Iowa City, IA 52242-1010, 319/335-7166, email: penni-ryan@uiowa.edu

Individuals with disabilities are encouraged to attend all University of Iowa sponsored events. If you are a person with a disability who requires a reasonable accommodation in order to participate in this program, please contact Penni Ryan in advance at 319-335-7166.
REGISTRATION FORM

97th Annual Meeting of The University of Iowa Dental Alumni Association

October 31–November 1, 2014

14-304-01/5-42521-00 • 14-305-01/5-42520-04

(please prepare a separate registration form for each registration)

Dr., Mr., Ms. (please circle) ___________________________________________________________________________
Name (please print or type)

Address for Credit Card _____________________________________________________________________________
Street  City, State  ZIP
