GENERAL INFORMATION

The College of Dentistry and the Center for Conferences will make every reasonable effort to assure that requested continuing education programs are provided, but assumes no liability for failure to deliver beyond the refunding of any fees paid to The University of Iowa. The University of Iowa reserves the right to limit registration to the size of the available classroom space. Sponsorship of this course does not imply subject matter, product or technical endorsement. This material is offered to the profession for educational and informational purposes in a spirit of academic freedom.

ADVANCE REGISTRATION: Pre-registration is recommended at least 14 days before course date. This will enable us to send course/game times and parking permits. If football ticket allocation is exhausted, you will be enrolled and notified of non-availability unless you indicate on the registration form that you do not want to enroll without tickets.

REGISTRATION OPTIONS: You may register using any of the following methods:

- Online registration – Go to: www.continuetolearn.uiowa.edu/UIConferences/ and click on Dental Conferences

If insufficient enrollment necessitates canceling a course, all fees will be refunded.

CONTINUING EDUCATION CREDIT/RECORD KEEPING: CEU verification will be provided (by email following the program) only for those individuals completing/submitting a CEU card at the completion of the program. Each registrant must provide a unique email address to ensure his or her receipt of CEU certificate electronically. Tickets MUST be picked up at the course registration desk before course adjournment. Tickets will not be mailed. Payment for tickets cannot be refunded except when ticket supply is exhausted during the pre-registration period. Tickets cannot be transferred with a registration to another course.

PARKING: Complimentary parking is available in the parking lot adjacent to the Dental Science Building. A parking pass will be sent to you several days prior to course date.
