

GENERAL INFORMATION

The College of Dentistry will make every reasonable effort to assure that requested continuing education programs are provided, but assumes no liability for failure to deliver beyond the refunding of any fees paid to The University of Iowa. Sponsorship of this course does not imply subject matter, product or technical endorsement. This material is offered to the profession for educational and informational purposes in a spirit of academic freedom.

Online lecture course: You will watch the course from your computer.

Cancellations/refunds: Fees paid will be refunded less a \$45 per person processing fee following notice of cancellation. Refunds will not be granted for cancellations received after the course begins. For registrations charged to your credit card, the refund will be credited to your account. If insufficient enrollment necessitates canceling a course, all fees will be refunded.

Continuing education credit/record keeping: A CEU verification will be provided (by email following the program) only for those individuals who pass the quiz at the completion of the program. All attendees are encouraged to complete the online quiz immediately after the course which will ensure that a letter documenting attendance will be sent following the program. The CEU verification will be emailed to the email address you include in your registration; please be sure to provide a valid email address. The University of Iowa College of Dentistry designates this activity for 7 hours continuing education credit (0.7 CEU).

For information about this or other College of Dentistry CE programs, please call Ms. Amanda Shoemaker at (319) 335-7166 or email amanda-shoemaker@uiowa.edu.

ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

The University of Iowa Nondiscrimination Statement

The University of Iowa prohibits discrimination in employment, educational programs, and activities on the basis of race, creed, color, religion, national origin, age, sex, pregnancy, disability, genetic information, status as a U.S. veteran, service in the U.S. military, sexual orientation, gender identity, associational preferences, or any other classification that deprives the person of consideration as an individual. The university also affirms its commitment to providing equal opportunities and equal access to university facilities. For additional information on nondiscrimination policies, contact the Director, Office of Equal Opportunity and Diversity, the University of Iowa, 202 Jessup Hall, Iowa City, IA 52242-1316, 319-335-0705 (voice), 319-335-0697 (TDD), diversity@uiowa.edu.

Individuals with disabilities are encouraged to attend all University of Iowa sponsored events. If you are a person with a disability who requires a reasonable accommodation in order to participate in this program, please contact Amanda Shoemaker in advance at 319-335-7166.

Program Overview:

This fast-paced conference will present a variety of dental topics. It is designed to be informative and stimulating. It is targeted for dentists, dental assistants and dental hygienists, especially those needing to complete their continuing education credits for the Iowa State relicensure period ending August 2021. **For more detailed course descriptions, please go to: dentistry.uiowa.edu/ce.**

Program Schedule:

8:00 am	Zoom Course opens
8:30 am	Introduction <i>Ms. Amanda Shoemaker</i>
8:35 - 9:45 am	Ensuring Local Anesthesia Success in Clinical Practice <i>Dr. Rob Bowers</i>
9:45 - 10:00 am	Break
10:00 - 11:00 am	Promoting Patient-Centered Care <i>Dr. Michelle McQuistan</i>
11:00 am - 12:00 pm	Waistline to the Gumline: Implications of Obesity for Dentistry <i>Dr. Sukirth Ganesan</i>
12:00 - 1:00 pm	LUNCH (on your own)
1:00 - 2:00 pm	Child Abuse and Neglect: What Should We Be Looking For in the Dental Clinic?* <i>Dr. Polly Iben</i>
2:00 - 3:00 pm	A Review of Indications and Considerations for Full Mouth Rehabilitation <i>Dr. Ahmed Mahrous</i>
3:00 - 3:15 pm	Break
3:15 - 4:30 pm	Common Mental Health Disorders in Oral Healthcare Settings and Strategies for Patient Care <i>Ms. Cari Anderson</i>

*This lecture DOES NOT satisfy the Iowa child and dependent adult abuse (Mandatory Reporter) CE courses.

Program Faculty:

Rob Bowers, D.D.S., Assistant Professor, Department of Family Dentistry

Michelle McQuistan, D.D.S., M.S., Associate Professor, Department of Preventive & Community Dentistry and Officer for Diversity, Equity, and Inclusion

Sukirth Ganesan, B.D.S., Ph.D., Assistant Professor, Department of Periodontics

Polly Iben, D.D.S., Clinical Assistant Professor, Department of Pediatric Dentistry

Ahmed Mahrous, B.D.S., M.S., Clinical Assistant Professor, Department of Prosthodontics

Cari Anderson, M.S.W., L.I.S.W., Director, Dental Counseling and Wellness Support Services

At the completion of the program, participants should be able to:

Bowers

- Explain the modalities for reducing pain when completing injections;
- Distinguish the most common incidences and reasons why local anesthetic failures occur; and
- Discuss options for managing difficult to numb patients.

McQuistan

- Recognize how personal characteristics may influence patient-provider interactions;
- Explore how communication styles can lead to patient-provider misunderstanding; and
- Discuss strategies to enhance patient-centered care.

Ganesan

- Summarize the definition, classification and prevalence of obesity;
- Explain the mechanism behind oral complications in obese patients; and
- Recognize the practical implications and treatment considerations associated with obesity in the dental office.

Iben

- Summarize what constitutes dental neglect; and
- Recognize the five main types of child abuse when communicating with dental patients in the clinic.

Mahrous

- Identify the indications for a full mouth rehabilitation;
- Paraphrase the factors that lead to loss of Vertical Dimension of Occlusion; and
- Explain the considerations that apply when restoring patients with loss of vertical dimension.

Anderson

- Identify common mental health disorders and conditions commonly seen in Oral Health Care settings and their impact on patient behaviors and communication styles;
- Assess additional issues related to some of these disorders such as course/prognosis, prevalence, differential diagnosis, culture, associated features and their impact on patient behaviors and care; and
- Recognize strategies for effective communication and treatment of patients in oral health settings suffering from these mental health disorders and conditions.

Registration

Please Register before June 1, 2021

Registrations will not be accepted without payment. You may register online using the following method:

- ✦ Online registration, at dentistry.uiowa.edu/CERegistration

If you need assistance registering online, or if you want to process your registration with a check, please contact the Dental Alumni/CE office at 319-335-7166, prior to mailing your registration payment.

Registration Fees:

Dentist: \$185 | Hygienist/Assistant: \$115
