DATE: Friday, November 13, 2015; Registration 8:00 – 8:30 a.m., Program 8:30 a.m. – 4:30 p.m.
LOCATION: College of Dentistry, Galagan Auditorium
CE CREDIT: 7 hours relicensure credit

REGISTRATION DEADLINE IS OCTOBER 30, 2015
The range of drug therapy options available to dental practitioners has greatly expanded over the past ten years. This expansion has opened the door to unprecedented therapeutic successes as well as disastrous drug misadventures. This course will update the dental team on recent developments in dental pharmacotherapy while providing strategies for prescribing to ensure therapeutic success. Drug therapy and alternative medicine reference sources will be listed and critiqued as to usefulness in daily practice. Clinically relevant information about effectiveness, adverse effects, patient specific drug selection criteria, dosing, and cost will be presented for therapeutic agents commonly used in dentistry. Systemic antibiotics, anxiolytics, analgesics and mucosal disease agents will be evaluated and discussed. Special attention will be given to certain controversial areas including antibiotic premedication of joint replacement patients and office management of dental anxiety. Potentially dangerous drug interactions important in clinical dentistry will be listed and reviewed with emphasis on avoidance and patient management strategies.

Extensive and very current handouts will be provided to maximize the chairside value of this fast-paced and entertaining course.

At the completion of the program, participants should be able to:

- Buy and easily use the best drug and alternative medicine references for dental practice,
- Choose the most cost-effective antibiotic or anxiolytic for a specific patient,
- Prescribe antibiotic premedication for certain patients with a variety of implants and conditions based on screening criteria and current evidence,
- Prescribe innovative topical and systemic therapies for both inflammatory and infectious mucositis patients,
- Choose an analgesic NSAID regimen based on relative adverse effects, drug interactions, efficacy for pain vs. inflammation, and
- Enhance the analgesic effects of opioid analgesics while minimizing their adverse effects and abuse potential.
ADVANCES IN DENTAL PHARMACOTHERAPY:
HOW TO MAXIMIZE SUCCESS WHILE LIMITING RISK IN EVERYDAY PRACTICE

PROGRAM FACULTY
Karen A. Baker, BS, MS, Associate Professor, Department of Oral Pathology, Radiology, and Medicine, University of Iowa College of Dentistry. Professor Karen Baker has been a faculty member at the College for 34 years and occupies a unique role in dental practice and education. She is a clinical pharmacist with a Master’s degree in clinical pharmacology and therapeutics and is focused on patient-specific dental drug therapy. Professor Baker has given over 1000 invited programs nationally and internationally and holds memberships in many dental and clinical pharmacology and therapeutics organizations. Her dental education-based pharmacy and drug therapy consultation center is the only one in the United States. She has authored more than 50 articles and abstracts and lectures extensively in pre-doctoral and graduate courses at the University of Iowa.

Enclosed is a check payable to Center for Conferences, for $_________ U.S. dollars

Please return this form, with your check, to The Center for Conferences, The University of Iowa, 250 Continuing Education Facility, Iowa City, Iowa 52242-0907 or fax to (319) 335-4039.
The College of Dentistry and the Center for Conferences will make every reasonable effort to assure that requested continuing education programs are provided, but assumes no liability for failure to deliver beyond the refunding of any fees paid to The University of Iowa. The University of Iowa reserves the right to limit registration to the size of the available classroom or clinical space. Sponsorship of this course does not imply subject matter, product or technical endorsement. This material is offered to the profession for educational and informational purposes in a spirit of academic freedom.

**PRE-REGISTRATION:** Pre-registration is recommended at least two weeks before course date – October 30, 2015.

**REGISTRATION OPTIONS:** Registrations will not be accepted without payment. You may register using any of the following methods:

- Online registration at: [www.continuetolearn.uiowa.edu/UIConferences/](http://www.continuetolearn.uiowa.edu/UIConferences/)
- Mail your registration form and check or credit card information to the address indicated
- Phone your credit card information to Center for Conferences: 1-800-551-9029 (local: 335-4141)
- FAX your credit card information to Center for Conferences: 1-319-335-4039

**CANCELLATIONS/REFUNDS:** Fees paid will be refunded less a $55 per person processing fee following notice of cancellation. Refunds will not be granted for cancellations received after the course begins. For registrations charged to your credit card, the refund will be credited to your account. If insufficient enrollment necessitates canceling a course, all fees will be refunded.

**CONTINUING EDUCATION CREDIT/RECORD KEEPING:** CEU verification will be provided (by email following the program) only for those individuals completing/submitting a CEU card at the completion of the program. Credit will be appropriately adjusted for those individuals who do not attend the entire program. All attendees are encouraged to submit a CEU card which will ensure that a letter documenting attendance will be sent following the program. The University of Iowa College of Dentistry designates this activity for 7 hours continuing education credit (0.7 CEU).

**FOOTBALL TICKETS:** Tickets for Iowa vs. Minnesota on 11/14/15 are available on a VERY LIMITED basis at $65 each plus a $1 per ticket handling fee (limit 2 tickets per registration). Ticket requests will be filled until supply is exhausted. To order tickets, you must register and prepay for the continuing education program. Tickets MUST be picked up at the course registration desk before course adjournment. Tickets will not be mailed. Payment for tickets cannot be refunded except when ticket supply is exhausted during the pre-registration period. Tickets cannot be transferred with a registration to another course.

**HOUSING:** A limited number of rooms have been reserved at the:

- Heartland Inn located at 87 Second Street, Coralville, IA 52241; Phone 1-319-351-8132
- Use the Code: College of Dentistry – (release date 10/30/15).

Please indicate that you are attending the College of Dentistry's continuing education program and designate the appropriate code when making your reservations. The rooms will be held until supply is exhausted or release dates as previously stated. It is the responsibility of registrants to reserve their own lodging.

**PARKING:** Parking is included with the course registration. All registrants must be pre-registered to gain entrance to the Dental visitor's parking lot. Bring your course confirmation letter with you to ensure admittance to the lot. Otherwise, you may be directed to a remote lot.

**COMFORT ZONE:** Although every effort is made to have a comfortable temperature in the meeting room, we realize everyone's comfort zone is different. Please bring a jacket or sweater in case the room is too cool for your comfort.

**THANK YOU FOR PARTICIPATING** in our continuing dental education courses. We appreciate your support and interest in our dental programs. Your patronage allows us to provide the highest quality and most current education in dentistry. If you have any suggestions for the Office of Continuing Education or would like further information about our programs, please visit us online at [www.dentistry.uiowa.edu/ce](http://www.dentistry.uiowa.edu/ce) or contact:

Ms. Penni Ryan, Director | Continuing Dental Education | The University of Iowa
346 Dental Science N | Iowa City, IA 52242-1010
