# tots to teens

Meeting the Challenges of Today's Pediatric Dental Patient

november 15, 2019

COLLEGE OF DENTISTRY, GALAGANS B/C AUDITORIUM

Presented by: Pediatric Dentistry Faculty and an unrestricted educational grant from the Delta Dental of Iowa Foundation

**PLEASE REGISTER BEFORE NOVEMBER 1, 2019**

# THE PROGRAM and OBJECTIVES

This fast-paced and interactive conference will present a variety of contemporary pediatric dental topics. The course is targeted to all providers who treat children and it is designed to increase the comfort level and expertise of the entire dental team when it comes to treating today's pediatric patient, from infancy through adolescence, including those individuals with special health care needs. The course has been designed to be stimulating and informative, welcoming audience participation through a series of clinical cases and challenging the participant to think "outside of the box". From tongue ties to silver diamine fluoride, hypoplastic molars to teen pregnancy, this course is sure to give you valuable information to tackle some of the most challenging situations encountered with today's pediatric dental patients.

The following series of lectures will be presented by faculty members from the Department of Pediatric Dentistry. At the completion of each presentation, participants should be able to:

## FEES:

Dentist \$295

Assistant/Hygienist/Technician \$175

## CE Credit

6.5 hours relicensure credit/Lecture Course

## Please Register before

November 1, 2019

## PROGRAM SCHEDULE

**8:45** REGISTRATION COLLEGE OF DENTISTRY, FIRST FLOOR | **9:10** WELCOME AND OPENING REMARKS

**9:15–9:45** | Matthew Geneser • DDS, Clinical Associate Professor

### LIP AND TONGUE TIE IN INFANTS — DIAGNOSIS AND TREATMENT OPTIONS

- Diagnose lip and tongue tie in infants;
- Understand the negative effects of lip and tongue tie; and
- Treat lip and tongue tie with soft tissue lasers.

**9:45–10:45** | Michael Kanellis • DDS, MS, Professor and Associate Dean for Patient Care  
Amy Lesch • DDS, Visiting Assistant Professor

### MINIMALLY INVASIVE TREATMENT APPROACHES IN PEDIATRIC DENTISTRY

- Become familiar with protocols for caries management utilizing:
  - Silver diamine fluoride;
  - Atraumatic restorative treatment; and
  - Stainless steel crowns utilizing the Hall technique.

**10:45–11:00** BREAK

**11:00–11:30** | Matthew Geneser

### HYPOPLASTIC MOLARS - ETIOLOGY AND TREATMENT CHALLENGES

- Understand the etiology of molar-incisor hypomineralization;
- Understand the treatment challenges presented by hypoplastic molars; and
- Prevent decay and managing enamel breakdown.

**11:30–12:00** | Tad Mabry • DDS, MS, Clinical Professor

### WHAT DO YOU MEAN THERE IS NEW INFORMATION ON SEALANT USE?

- Understand the evidence-based indications for sealants as a noninvasive treatment option for caries; and
- Understand altered techniques that enhance sealant retention.

**12:00–12:30** | Michael Kanellis

### PERMANENT MOLARS: FIRST PERMANENT MOLAR EXTRACTIONS

- Understand the importance of case selection and timing in considering when to extract severely carious or hypoplastic first permanent molars.

**Lunch Time | 12:30–1:15**

### PEDIATRIC ORAL HEALTH RESOURCES - TABLE CLINIC

Cathy Skotowski • RDH, MS, Clinical Associate Professor

- Review and discuss various pediatric oral health resources for patient and parent education.

### ORAL HEALTH RESOURCES FOR INDIVIDUALS WITH SPECIAL HEALTH CARE NEEDS - TABLE CLINIC

Gayle Gilbaugh • RDH, Specialized Care Coordinator

- Review and discuss in-office educational resources for use while working with individuals with special health care needs.

1:15-1:45 | Matthew Geneser

**DESTRUCTIVE TEEN HABITS**

- Review vaping and tobacco delivery systems;
- Discuss substance abuse in young adults; and
- Discuss dietary trends for U.S. teenagers and how these all affect one's oral health.

1:45-2:15 | Pollyanne Iben • DDS, Clinical Assistant Professor

**ORAL HEALTH CARE FOR THE PREGNANT ADOLESCENT**

- Review the various medical considerations when treating pregnant teens, including use of local anesthesia and sedation, radiographs, emergency treatment, and connections between oral health and general health; and
- State how substance abuse (alcohol, street and prescription drugs, synthetic drugs, cigarettes, vaping, hot-boxing, etc.) affects both the pregnant mother and developing baby.

2:15-2:45 | Kecia Leary • DDS, MS, Clinical Associate Professor

**GENDER AWARENESS**

- Understand gender dysphoria in pediatric patients; and
- List strategies for creating a culturally competent environment for pediatric patients in the clinic.

**2:45-3:00 BREAK**

3:00-3:45 | Michael Kanellis and Tad Mabry

**STRATEGIES FOR PROVIDING HIGH QUALITY CLINICAL CARE TO YOUR HIGH RISK PATIENTS**

- Review risk-based approach to appropriate treatment and billing for patients with Iowa Medicaid; and
- Review clinical care strategies to help provide treatment to more patients with expanded function dental auxiliaries.

3:45-4:30 | Kecia Leary

**EVERYTHING I REALLY LEARNED IN A SERIES OF CASES**

- Review topics of discussion from the day's course; and
- Apply objectives learned in previous conversations to clinically relevant cases that are seen in a typical dental practice.

**4:30 ADJOURN**

**TOTS TO TEENS | NOVEMBER 15, 2019**

19-319-02/5-42521-01 (please prepare a separate registration form for each registration)

# GENERAL INFORMATION

The College of Dentistry and the Center for Conferences will make every reasonable effort to assure that requested continuing education programs are provided, but assumes no liability for failure to deliver beyond the refunding of any fees paid to The University of Iowa. The University of Iowa reserves the right to limit registration to the size of the available classroom or clinical space. Sponsorship of this course does not imply subject matter, product or technical endorsement. This material is offered to the profession for educational and informational purposes in a spirit of academic freedom.

**PRE-REGISTRATION:** Pre-registration is recommended at least two weeks before course date - November 1, 2019.

**REGISTRATION OPTIONS:** Registrations will not be accepted without payment. You may register using any of the following methods:

- ✦ **Online registration**, at [centerforconferences.uiowa.edu/conferences](http://centerforconferences.uiowa.edu/conferences) and then click on Dental Conferences
- ✉ **Mail** your registration form and check or credit card information to the address indicated
- ☎ **Phone** your credit card information to Center for Conferences: 1-800-551-9029 (local: 335-4141)
- ✉ **FAX** your credit card information to Center for Conferences: 1-319-335-4039

**CANCELLATIONS/REFUNDS:** Fees paid will be refunded less a \$55 per person processing fee following notice of cancellation. Refunds will not be granted for cancellations received after the course begins. For registrations charged to your credit card, the refund will be credited to your account. If insufficient enrollment necessitates canceling a course, all fees will be refunded.

**CONTINUING EDUCATION CREDIT/RECORD KEEPING:** CEU verification will be provided (by email following the program) only for those individuals completing/submitting a CEU card at the completion of the program. Credit will be appropriately adjusted for those individuals who do not attend the entire program. All attendees are encouraged to submit a CEU card which will ensure that a letter documenting attendance will be sent following the program. The University of Iowa College of Dentistry designates this activity for 6.5 hours continuing education credit (0.65 CEU).

**FOOTBALL TICKETS:** Full day course registrants will receive first priority for football ticket purchases. After that, tickets will be available on a first come, first served basis.

Tickets for Iowa vs. Minnesota on 11/16/19 are available at \$80 each plus a \$1 per ticket handling fee (limit 2 tickets per registration). Ticket requests will be filled until supply is exhausted. To order tickets, you must register and prepay for the continuing education program. Tickets **MUST** be picked up at the course registration desk before course adjournment. Tickets will not be mailed. Payment for tickets cannot be refunded except when ticket supply is exhausted during the pre-registration period. Tickets cannot be transferred with a registration to another course.

**HOUSING:** A limited number of rooms have been reserved at the:

**Heartland Inn**

87 Second Street, Coralville, IA 52241;

Phone 1-319-351-8132

**Use the Code: UIDentAlumni (College of Dentistry); release date 11/1/19.**

Please indicate that you are attending the College of Dentistry's continuing education program **and designate the appropriate code** when making your reservations. The rooms will be held until supply is exhausted or release dates as previously stated. It is the responsibility of registrants to reserve their own lodging.

**PARKING:** Parking is included with the course registration. All registrants must be pre-registered to gain entrance to the Dental visitor's parking lot. Bring your course confirmation letter with you to ensure admittance to the lot. Otherwise, you may be directed to a remote lot.

**COMFORT ZONE:** Although every effort is made to have a comfortable temperature in the meeting room, we realize everyone's comfort zone is different. Please bring a jacket or sweater in case the room is too cool for your comfort.

**THANK YOU FOR PARTICIPATING** in our continuing dental education courses. We appreciate your support and interest in our dental programs. Your patronage allows us to provide the highest quality and most current education in dentistry. If you have any suggestions for the Office of Continuing Education or would like further information about our programs, please visit us online at [www.dentistry.uiowa.edu/ce](http://www.dentistry.uiowa.edu/ce) or contact:
