A multidisciplinary, interprofessional conference to improve culturally responsive care of increasingly diverse patient populations.
Upon completion of this conference, learners should be able to:

• Describe racial and ethnic health disparities, challenges faced by patients in healthcare settings; and to reduce health disparities.

• Serve as allies and implement strategies to understand and address institutional, structural, and interpersonal racism.

• Identify various tools and resources that support the delivery of culturally responsive care; to recognize and discuss the role of health professionals, including their own racial and ethnic identity in providing culturally responsive care.

• Recognize and discuss the role of health professionals, including their own racial and ethnic identity in providing culturally responsive care.

• Recognize and discuss the role of health professionals, including their own racial and ethnic identity in providing culturally responsive care.

• Identify various tools and resources that support the delivery of culturally responsive care; to recognize and discuss the role of health professionals, including their own racial and ethnic identity in providing culturally responsive care.

Conference Goals: To educate healthcare professionals, educators, and researchers on the importance of providing culturally responsive care; to recognize and discuss the role of health professionals, including their own racial and ethnic identity in providing culturally responsive care.

General Information

Registration Fees

• Physicians @ $195 $ ______________
• Other Attendees @ $85 $ ______________

Payment is required at time of registration. We will not consider you registered until payment is received.

Registration Fees

• Physicians @ $195 $ ______________
• Other Attendees @ $85 $ ______________

Method of Payment

Registration will be accepted through FAX, e-mail, or mail. Please register early. Space is limited and we may not be able to accommodate registrants or walk-ins. A $25 fee will be charged for changes made after the close of registration. This fee will not be refunded for cancellations made for medical reasons at the request of the registrant. A maximum of 1.0 hours of Social Work CME credit will be awarded. This program has been approved for 3.0 APEX credit hours.

Conference Location and Parking

The Conference will be held at the UI College of Public Health Building, 701 N. Linn Street, Suite 400, Iowa City, IA 52242-1055. Directions to the parking ramp may be found at the UI College of Public Health Building, UI/UC/CR/CPH building.

A limited number of short-term, metered visitor parking permits are available in the University of Iowa Hospitals and Clinics parking garage at 100 Medical Plaza West (next to the Children’s Hospital and Clinics of Iowa). Permits are also available at the Sheraton Iowa City Hotel (downtown) or the Vetro Hotel (downtown). The University of Iowa Roy J. and Lucille A. Carver College of Medicine designates this continuing education activity as partial credit will be given for this activity.

Continuing Education Credit

The University of Iowa, 200-CEUs, has been approved by the American Academy of Family Physicians (AAFP) as a category 3 CME activity for its Maintenance of Certification program. Physicians should claim only the credit commensurate with the extent of their participation in the educational activity.

Family Physician: Application for CME credit has been filed with the American Association of Family Physicians. Determination of credit is pending.

PH: 319-335-8327

Medicare: Denial. Continuing Education credit is pending with the Iowa Board of Dentistry.

Physician: The University of Iowa has filed an application for the award of 2.0 Category 1 CME credit for this activity.

Government: The University of Iowa College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Iowa requests this information for the purpose of processing your registration. Individuals with disabilities are encouraged to attend all University of Iowa sponsored activities on the basis of race, creed, color, religion, national origin, age, sex, pregnancy, sexual orientation, gender identity, gender expression, marital status, or sexual identity or affiliation. Non-discrimination policies can be found at http://www.education.uiowa.edu/ope/serious-complaints.

By attending this conference, you consent to your name being included in the program and to your photograph or other visual image being included in any recording of the conference. To opt out of the program directory, please contact:

Determination of educational content for this program and the selection of speakers has been made by the planners and providers. Providers who have disclosed a financial or other relationship with any providers involved with the content of this program are also listed. The financial support did not have input in these areas.

DISCLOSURE POLICY: Everyone in a position to control the content of this educational activity will disclose to the CME provider and to attendees all relevant financial relationships with any commercial interests.

The University of Iowa prohibits discrimination in employment, educational programs, and activities on the basis of race, creed, color, religion, national origin, age, sex, pregnancy, sexual orientation, gender identity, gender expression, marital status, or sexual identity or affiliation. Non-discrimination policies can be found at http://www.education.uiowa.edu/ope/serious-complaints.

The University of Iowa, in collaboration with the University of Pennsylvania, offers the opportunity to provide public health professionals with continuing education provided by the University of Iowa College of Public Health. For additional information on this program and other available CE activities, please visit the UI College of Medicine at http://www.med.uiowa.edu/cme/.
A multidisciplinary, interprofessional conference to improve culturally responsive care of increasingly diverse patient populations.
A multidisciplinary, interprofessional conference to improve culturally responsive care of increasingly diverse patient populations.
Upon completion of this conference, learners should be able to :

• Describe racial and ethnic disparities in long-term and end-of-life care.
• Explain cultural differences related to organ transplantation and related to organ donation and transplantation.
• Recognize and discuss the legal and ethical implications of family and cultural considerations in the care of patients with invisible disabilities.
• Identify various tools and effective strategies to interrupt discrimination and disparities in long-term care.

GOALS

Intended Audience
Physicians, Nurses, Social Workers, Physician Assistants, Pharmacists, Public Health Professionals, Dental Hygienists, Dental Hygienists, Educators, Health Administrators, Health Scientists, and all interested in health disparities.

Conference Goals: To educate Iowa’s health care providers about the importance of providing culturally responsive and competent care; to improve access to quality care; and to reduce health disparities.

GENERAL INFORMATION

Conference-Related Definitions
The University of Iowa prohibits discrimination in employment, educational programs, and activities on the basis of race, creed, color, religion, national origin, age, sex, pregnancy, sexual orientation, gender identity, associational preferences, or any other classification that deprives the person of consideration as an individual. The university also affirms its commitment to providing equal opportunities and equal access to university facilities. For additional information on nondiscrimination policies, contact the Director, Office of Equal Opportunity and Diversity, 320 Laser Center, 319-335-5707, diversity@uiowa.edu.

Financial Relationships
All attendees who participate in this program will receive credit commensurate with the extent of their participation.

Provider CME: Physicians: The University of Iowa is accredited by the Accreditation Council for Medical Education to provide continuing medical education for physicians.
