Dr. Peter Damiano to Serve on ADEA Legislative Advisory Committee

Dr. Peter Damiano, Preventive and Community Dentistry and director of the Public Policy Center and the PPC’s Health Policy Research Program, was invited to serve on the Legislative Advisory Committee (LAC) of the American Dental Education Association (ADEA). The LAC provides advice and counsel to the ADEA on public policy and legislative priorities. It promotes policies and programs that improve the nation’s oral health, advance dental and craniofacial research and education, reduce oral health disparities and increase access to dental care. Dr. Damiano will serve a three-year term.

Drs. Fabricio Teixeira and Keith Krell Elected as AAE Officers

Four College of Dentistry Students Attend a Filming of
*The Price is Right*: Thanh Nguyen Chosen to Appear on the Show!

For some students, spring break conjures up a trip to Florida or South Padre Island, Texas. For four College of Dentistry students, however, spring break was an opportunity to attend a filming of *The Price is Right*.

It all began with D1 Alex Althoff’s undergrad years, when he and his roommates began watching the show. “So my roommates in undergrad and I would record the show and watch it together over lunch hour every day.” Alex’s love of the show has continued since then. Says Thanh Nguyen, “Alex is a huge *The Price is Right* fan, and when I say huge fan, I mean he’s a fanatic. Alex watches it every single day . . .”

When Alex, Thanh, Malachi Zeitner and Tanner Brolsma (all D1 students) decided to go to California for spring break, Alex procured free VIP tickets online for the show. “When we showed up,” says Alex, “I just said I had four people in our party and we didn’t have to wait in line outside the gates nearly as long as the people who hoped to get in just on a first come, first serve basis.”

“I grew up watching *The Price is Right*,” says Thanh, “and never in a million years did I think that a regular guy like me from Iowa would be able to get on a national television show in Hollywood. I had a feeling one of us four would get chosen because everyone loved the fact that we were graduate students from Iowa hanging out in California – like people actually live in Iowa and are pretty friendly!”

When the dental students arrived at CBS Studios, they and other members of the audience were interviewed in groups of 30 by a show producer. After a couple more hours of waiting, they were allowed to enter the studio. “It’s much smaller than you think,” recalls Thanh. “I didn’t find out I got selected until the moment they called my name ... it was around five total hours from the waiting in line to leaving the show.”

Regrettfully, Thanh did not win a brand new car but he did win a pasta maker and a treadmill. “The treadmill is also for sale,” jokes Thanh, “so please e-mail me if you’re interested!”

Alex, Thanh, Malachi, and Tanner didn’t have an opportunity to take photos of comedian Drew Carey, who is the show’s host. “They took our phones before we started filming the show,” says Thanh, “or else I would have. He’s a very charismatic and funny entertainer. For the first three or so commercial breaks, he would joke around ... and make fun of us in front of the whole crowd; I think he really liked us!”
Jeniffer Hua, Department of Endodontics, wins the CoD Scavenger Hunt!

Jeniffer Hua, Endodontics, won the CoD Scavenger Hunt. She received the CoD tote, sunglasses and a stress apple.
