**Dr. Hongli Sun Awarded An Almost $300K Multiyear Grant**

The College of Dentistry has a strong reputation as a leading researcher in tissue and bioengineering. New faculty member Dr. Hongli Sun’s NIH-funded R03 grant will help build that area of research as his team investigates an innovative delivery strategy for repairing and regenerating bone tissue. Read more.

Nashville Public Television’s documentary *Aging Matters: Dental Health*, featuring our own Drs. Cowen and Hartshorn. You can view it [here](#).

This year, the Iowa Mission of Mercy will be held October 5-6 at the Tyson Events Center in Sioux City, IA, and University of Iowa faculty, staff, and students will be traveling together to volunteer at the event on Saturday, October 6. More information, including registration information for volunteers, is available at [www.iowamom.org](http://www.iowamom.org). Please contact Dr. Patricia Meredith if you have any questions (patricia-meredith[at]uiowa.edu).

Lend a helping hand. Due to medical issues, Lisa Baldwin has exhausted her sick leave and vacation. If you would like to help Lisa by contributing vacation time, please fill out the linked form.

Expect the *Working at Iowa* survey to arrive via email the week of October 3. Your time and participation will be valuable and could help improve our work environment.
