**NIH Awards Dr. Aline Petrin Grant Totaling Almost $700K**
Dr. Aline Petrin (Iowa Institute for Oral Health Research) has been awarded a 5-year career-development grant from the NIH/NIDCR totaling almost $700,000 for her project, “A Twin Approach for Genome-Wide Differential DNA Methylation in Orofacial Clefting.” Read more on the College of Dentistry website.

**Several College of Dentistry Employees Participates in Servolution**
Servolution has a community-service event that draws together resources to support children in the community. Several College of Dentistry team members provided dental care for children at the event. Read more on the College of Dentistry website.

**Dr. Jack Gerrow Receives Order of Canada**
On July 4, 2019, Dr. Jack Gerrow (M.S. and Certificate in Prosthodontics, ’85) became a member of the Order of Canada. The Order of Canada is the country’s most prestigious honor for civilians and it was bestowed on Dr. Gerrow because of his innovation in developing competency standards for dentists both in Canada and the world. His new approach to competency testing in dental education and practice is used around the world in dentistry and in other professions as well. The announcement is available here and a video of the ceremony is available here.

**Flu Shot Save the Date**
On-site flu shots for College of Dentistry faculty, staff, and house staff residents will be on Tuesday, October 8, 2019 in W222A&B from 11:30 a.m.–1:30 p.m.
